

## **DIRECTIONS TO GCF-INC**

### **From Rt. 303 South:**

Traveling south, the first light in New Jersey is at the McDonald's. Continue two more lights to Broadway (Gulf Station & Fleet Bank on left). Make a left turn onto Broadway, go over railroad tracks, and make left onto Oak St. Continue on Oak St. to the end and make a right turn then a quick left into the driveway (119 Rockland Ave). Entrance is halfway down the side of the building. Parking is available along the side and back of building.

### **From NY City:**

Cross George Washington Bridge. Cars only - take Palisades Interstate Parkway to Exit 5S (Rt.303 South). Follow Rt. 303 South directions above. Commercial vehicles take Rt. 9W North

### **From I-287 North:**

Head to Mahwah/Suffern area, take I-287/87 toward Tappan Zee Bridge. Take Exit 12 (Palisades Mall), Rt. 303 South. Follow Rt. 303 South directions above.

### **I-87 South:**

Take Exit 12 (Palisades Mall) – Rt. 303 South. Follow Rt. 303 South directions above.

### **Garden State Parkway – North:**

Take the Garden State Parkway North to the end. Take I-287/87 toward Tappan Zee Bridge/New York City. Take Exit 12 - Rt. 303 South. Follow Rt. 303 South directions above.

### **NJ Turnpike – North:**

Take local lanes to George Washington Bridge. Take Exit 72 – Fort Lee. Follow signs for Palisades Interstate Parkway or Rt. 9W

### **I-80 East:**

Take I-80 Eastbound local lanes to I-95 N toward the George Washington Bridge. Follow NJ Turnpike – North directions above. Alternate method, get off exit 62 (Saddle Brook) and take the Garden State Parkway North. Follow GSP directions above.

### **Vehicles with Commercial Plates:**

From the George Washington Bridge or NJ Turnpike North (I-95). You will have to take Rt. 9W North. Continue north on 9W to Closter Dock Rd traffic light. Left on Closter Dock Rd. and continue to second traffic light about two miles (Exxon Station on right). Right turn at the light onto Piermont and continue two miles to Broadway (T intersection) then left onto Broadway. Continue to Oak St (about 1 mile, just before railroad tracks). Right on Oak St., continue to end and make a right turn then quick left turn into the driveway (119 Rockland Ave.). Entrance is halfway down the side of the building.
