

OEM Focus Products

	<p>Zelio Plug-In Relays Complete range of plug-in relays</p> <p>RSL Slim 6mm Interface Relays RSB 12mm Interface Relays RXM Miniature Relays RPM 15A Power Relays RUM 15A Universal Relays RPF 30A Power Relays</p>
	<p>Zelio Solid State Relays Incorporates SCR outputs to reliably switch inductive loads</p> <p>SSRP: Panel Mount 10-125A SSRD: DIN Mount with integral heat sink 10-45A</p>
	<p>Zelio Single & Multifunction Timers Cost effective solutions for your industrial time delay relay needs</p> <p>RE11 Single & Multifunction Economy Timers 17.5 mm DIN RE7 / RE8 / RE9 Single & Multifunction Timers 22.5 mm wide DIN RE88865 Multifunction Timer: 22.5 mm wide DIN mount RE88867 Plug-in Multifunction Timer RE48 Plug-in and Panel Mount Single & Multifunction Timer: 48 x 48 mm, REXL Plug-in Miniature Single-function Timer 21 mm wide</p>
	<p>Zelio REG Temperature Controllers Single-loop PID temperature control</p> <p>REG24 Temperature Control 1/32 DIN REG48 Temperature Control 1/16 DIN REG96 Temperature Control 1/8 DIN</p>
	<p>Zelio RM Measurement & Control Relay Minimize breakdowns of vital equipment</p> <p>RM17T / RM35T Controls: 3 Phase Measurement & Control RM17U / RM35U Controls: Voltage Measurement & Control RM17J / RM35J Controls: Current Measurement & Control RM35L Controls: Liquid Level Measurement & Control RM35B: Pump Measurement & Control RM35H: Frequency Measurement & Control RM35S: Speed Measurement & Control RM35A: Temperature + Elevator Room Measurement & Control</p>
	<p>Zelio RM Analog Interface Modules Compatible with automation platforms</p> <p>RMTJ/K Interface: J/ K thermocouples to analog RMPT Interface: PT100 to analog RMC Interface: Universal Voltage/Current Converters</p>
	<p>Zelio Counters Totalize count or elapsed time</p> <p>RC Miniature LCD Totalizing Count & Hour Panel Meters.</p>

	<p>Harmony Pushbuttons & Pilot Devices A World leader offering a complete line of operator interfaces</p> <p>XB6 16mm Pushbuttons, Pilots and Selectors XB4 / XB5 22mm Pushbuttons, Pilots and Selectors 9001 30mm Pushbuttons, Pilots, Selectors and Cam Switches</p>
	<p>Harmony Biometric Switch Advanced access control using fingerprint recognition technology</p> <p>XB5S 22mm Biometric Switch</p>
	<p>Harmony Tower Lights and Beacons Visual and audible indication of equipment status</p> <p>XVP 50mm Modular Tower Lights XVB 70mm Modular Tower Lights XVE 70mm Economy Modular Tower Lights XVC 40 / 60 / 100mm Pre-assembled Tower Lights XVR Rotating Mirror Beacons XVS Sirens & Electronic Alarms</p>
	<p>Phaseo Switch Mode Power Supplies Range of power supplies provides for automation systems</p> <p>ABL1REM / RPM Dedicated: 1Ph General Purpose Power Supplies 2.5-10A ABL8M / ABL7R Modular: 1Ph General Purpose Power Supplies 0.3A-4A ABL8REM / 7RP Optimum 1Ph Automation Power Supplies w/options 3A-5A ABL8RPS / RPM / WPS Universal 3Ph Automation Power Supplies w/options 3A-40A ABL8B Uninterruptible Power Supply System 20A/40A</p>
	<p>AB1 Terminal Blocks and Markers Reliable, cost-effective field wiring terminals</p> <p>AB1 Screw type for Pass-through, Grounding, Disconnect, Double deck AB1 Spring type for Pass-through, Grounding, Disconnect, Fuse, Double deck AB1 Insulation Displacement Termination Pass-through, Grounding, Disconnect</p>
	<p>Himel Enclosures Innovation enclosures for electrical equipment</p> <p>PLM Polyester Wall-mounting Enclosures CRN / CMO Steel Wall-mounting and Floor-standing Enclosures CRSX / CLX Stainless Steel Wall-mounting and Floor-standing Enclosures OLN Industrial Modular Enclosures CM Control Box Systems</p>
	<p>Limit Switches Miniature, Compact and NEMA Limit Switches for industrial applications</p> <p>XCK-J Heavy Duty Limit Switches XCKM/L/ML OsiSense Medium Duty Limit Switches XCKD/P/T OsiSense Medium Duty Limit Switches XCMD/N OsiSense Miniature Limit Switches</p>

NEW YORK LOCATION
 118 Cain Drive
 Brentwood, NY 11717
 (631) 434-3992
 (631) 434-4784 Fax

MAIN OFFICE & WAREHOUSE
 119 Rockland Avenue
 Northvale, NJ 07647
 (201) 767-6100
 (201) 767-1221 Fax

CONNECTICUT LOCATION
 (203) 783-1133
 (203) 783-1134 Fax

OEM Focus Product Brochure

Premier High Tech Distributor of Electrical, Electronic, HMI, Safety, Automation and Motion Control Products to OEM's, Panel Builders, Integrators and Users in the New York, New Jersey and Connecticut Metro area.

- PLC Programming
- HMI Programming
- Drive Programming & Setup
- Temperature Controller Setup
- Control Circuit Design
- Industrial Computer Programming
- In House Training

Founded in 1981, GCF Inc. provides automation and control technology to the OEM industrial automation market in the New York, New Jersey and Connecticut Metro area. GCF Inc. supplies top quality products, which are supported by factory-trained sales, application and technical support engineers. We market our products with on-site demonstrations and seminars.

GCF Inc. has grown through continuous employee development, creative management systems, strong customer focus and state-of-the-art products.

GCF Inc. will continue to grow well into the 21st century. We are committed to offering our customers a complete program of integrated products, engineering solutions, and electronic commerce. GCF Inc. has earned the distinction of being the premier full-service stocking distributor in the New York, New Jersey and Connecticut Metro area.
